## November—Month of Remembrance

November is the month when, by tradition, we pray for the eternal rest of our deceased relatives and friends. This year, in all our churches, we remember especially those who have died during the pandemic. We also pray for those who have lost someone they loved, for those who were unable to say goodbye, and for those who are suffering the pain of grief. We pray for confidence in the loving mercy of God, for faith in the Resurrection to new life, and for the hope of being reunited in God's kingdom.

# ST MARY'S CATHEDRAL FINANCIAL RESULTS FOR THE 6 MONTHS TO 30<sup>TH</sup> SEPTEMBER 2020:

"The financial results for the Cathedral for the 6 month period to 30<sup>th</sup> September 2020 show a Surplus of £25,786.50. This is a very encouraging result considering the circumstances that have prevailed since March and is primarily down to 3 factors:

1. **Gift Aid** – Gift Aid receipts from the UK Government for Tax Year 2019/2020 (received in the 6 months to 30/09/20) totalled £32,709.55. This is an increase of almost £10,000 (or 43%) on the value of the Gift Aid claim for 2018/2019 (£22,903.11). We have made a concerted effort to get Parishioners to sign up to the Gift Aid scheme over the past 12-18 months. A massive Thank-You therefore to all those who have responded to this call and become a part of the scheme – its value and importance to the Parish has never been more clear. If you are a UK taxpayer and would like to sign up for Gift Aid, please contact our Gift Aid scheme administrator, Peter Simpson, on <u>giftaid@cathedral-abdn.org</u> for further details of how to sign up. You can also sign up online on the Parish website via the following link – http://www.stmaryscathedralaberdeen.org/giving/gift-aid/.

2. Standing Orders & Direct Banking – The closure of the Church in March cut off our main revenue stream of Mass Offertories, causing huge concern as to how we would be able to navigate the months ahead. We have been able to do so in no small part thanks to the great generosity of the Cathedral Parishioners, many of whom have switched their giving from cash to regular electronic payments via Direct Banking. This has seen our income from this source double (£60k vs £30k) in the 6 months to September 2020 compared to the same period in 2019. Offertory Giving via Standing Order is our preferred method of Giving, so thanks both to those who have made the switch over the last 6 months and also to those who have been giving by Standing Order for some time.

3. **One-Off Donations** – The Lockdown months of April to June saw a terrific response from Parishioners to our cash flow crisis. Many very generous one-off Donations were received during this time, helping us to stave off the immediate trouble we found ourselves in. Donations have continued since the Church re-opened in July and are very much appreciated as always, but recognition and gratitude has to be expressed to those who contributed so generously back in April, May & June, our months of greatest need, when we were very much living from month to month."

### **Adoration Prayer Warriors**

Adoration Prayer Warriors are those disciples who commit themselves to take up the weapon of prayer to do battle with the foe (CCC 2612 and 2846-2854), interceding before Jesus Christ, really present in the Blessed Sacrament, for the Church and the world. The more people who can commit to this the more renewal we shall experience in our own lives as well as the life of the Church and society.

I would like you to consider becoming an Adoration Prayer Warrior.

To commit to a weekly hour, contact Kelly or JulieAnna of the St. Andrew Community: Email: <u>adoration@cathedral-abdn.org</u> Mobile: 07754 891 808 If you:
